CULTIVATING COMMUNITY

Are you a seasoned gardener? Rookie? Like spending time outdoors? It is time to start planning for the growing season, so join us in the gazebo (bundle up!) to learn more about gardening at Ash Brook.

If you would like to garden but can't make it to the meeting, no worries! Let Lea know by March 20th if you are interested in gardening.

For more info, contact Lea at (603) 283-5440 or lkablik@keenehousing.org.
