Electrical Box Art Project

First Design Meeting
Wednesday, July 12
3:30PM ~ 4:30PM

Stone Arch Senior Village Residents:
We are going to transform our electrical box into a piece of art. Your input is needed to guide the design and colors for the artist.

Attend the first meeting to meet the artist, vote on designs and colors, and help create the new look of our Electrical Box.

There will be three meetings for residents with the artist to help develop the direction of the final design. Join us!

If you have any questions,
contact Karen Graveline at 603-352-6161.
