Investing in Our Properties and Community

Keene Housing's capital investments fuel the local economy. Every dollar we spend improving our properties strengthens local businesses, supports local jobs, and multiplies economic activity across the Monadnock region.

Since 2020, we've invested $23,436,936 in our properties, generating

$44,295,809
in local economic activity*

+

258
good-paying local jobs*
